TRANSMITTAL OF SEQUENCE LISTING  
IN REPLY TO NOTICE TO FILE MISSING PARTS

Mail Stop Sequence  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This paper is submitted in response to the Notice to File Missing Parts of Application, mailed from the Patent Office on December 12, 2003. A copy of the Notice is attached.

Transmitted herewith is a copy of the "Sequence Listing" (sheets 1/10 through 10/10), comprising SEQ ID NOS: 1 through 30 in paper form for the above-referenced patent application as required by 37 C.F.R. §1.821(c) and a copy of the "Sequence

"Listing" in computer readable form as required by 37 C.F.R. §1.821(e). Please insert the attached "Sequence Listing" into the application.

As required by 37 C.F.R. §1.821(f), Applicant's Attorney hereby states that the content of the "Sequence Listing" in paper form and the computer readable form of the "Sequence Listing" are the same and, as required by 37 C.F.R. §1.821(g), also states that the submission includes no new matter.

The Sequence Listing is not identical to the Sequence Listing originally filed in application number 09/756,398. Sequences have been added to the Sequence Listing to include sequences disclosed in the originally filed Figures 27 and 29. In addition, the Sequence Listing incorporates revisions made in the Sequence Listing filed in the 09/756,398 application on March 27, 2001, in response to the Notice to Comply received in that application. Specifically, corrections were made to the organism designations and coding regions of certain sequences. No new matter has been added.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
